Roger Fleenor, proposes to perform the work Staking, (K-1) or Survey, (K-2) according to your Purchase Contract. Payment is due on the date of closing even if Escrow is delayed or cancelled. Property owner agrees to reveal the existence and exact locations of any and all unsafe or hazardous conditions including but not limited to underground utilities buried less than 2 (two) feet under any property corner. Property owner agree to hold Roger Fleenor harmless for any damage to such hidden utilities resulting from the installation of property monuments.
